

AMENDMENT NO.

CAL. NO.

March 22, 2010

Purpose: To broaden the scope of the FCC broadband cyber-security review under section 204.

**IN THE COMMITTEE ON COMMERCE, SCIENCE, AND  
TRANSPORTATION—111TH Cong., 2D Sess.**

**S. 773**, 111TH Congress, 2D Session

MARCH 24, 2010

INTENDED to be proposed by Ms. KLOBUCHAR

Viz:

1       On page 37, strike lines 12 through 15 and insert  
2 “Within 1 year after the date of enactment of this Act,  
3 the Federal Communications Commission shall report to  
4 Congress on effective and efficient means to ensure the  
5 cybersecurity of commercial broadband networks as re-  
6 lated to public safety, consumer welfare, healthcare, edu-  
7 cation, energy, government, security and other national  
8 purposes. This report should also consider consumer edu-  
9 cation and outreach programs to assist individuals in pro-  
10 tecting their home and personal computers and other de-  
11 vices.”.
